## Renewable Energy in America National Policy Forum

Capitol Hill | Washington DC | December 8-9, 2010

### Learn New Direction of Congress and the Nation

#### National Leaders to Define the Path Forward

Dear Shari,

ACORE has assembled a star cast of national leaders from government, industry, finance, and the media to give their assessments of how renewable energy policy will evolve over the years ahead. Will Democrats and Republicans come together on a clean energy agenda for the nation, led by renewables and efficiency?

Join us for fabulous networking receptions at the Folger Library on December 8 and the Library of Congress on December 9.

Join us in the Cannon Caucus Room on December 9 for the [Phase II National Policy Forum](#).
